Hi David,

A OneDrive link to the latest draft of the MBTA CRMF draft permit and fact sheet and attachments/appendices is below. Please let me know if you have any questions or concerns about the files.

As Anne already noted earlier this week, there are a few things she would still like to discuss with me in order to improve and clarify the fact sheet and draft permit language, but we believe it makes sense to move forward with your review.

Have a great weekend. Thanks,

Undine
